

Logo & Projects

NEW LOGO

The Hiking Heroes Club is proud to present an official logo! After many participated in a logo competition, the Hiking Heroes nominated this logo created by Jenny Yi. Despite the many entries, this logo was chosen for its clean imagery and clear message. Props to all who participated!

ONE TREE PLANTED FUNDRAISER

Hiking Heroes is a club dedicated to protecting the environment and spreading nature awareness through interactive activities such as hiking. To extend our reach beyond Virginia and challenge ourselves, we have joined hands with One Tree Planted to establish a fundraiser that will plant one tree for each dollar donated. Trees are a large part of our ecosystem, and ecosystems rely on them for clean oxygen, shelter, and more. Our goal is to raise \$2,000, and we are currently over halfway through at \$1,075! Thank you so much to those who donated.

TRASH PICK UP CHALLENGE

Finally, to engage more people outside of our community, the Hiking Heroes is hosting a Trash Pick Up Challenge. Instead of competing with others, this competition is one where you can compete with yourself. In exchange for picking up trash at a local park or nature reserve, and Hiking Heroes will pay you with service hours. People from across the country have taken part, and we are so thankful for their participation. The challenge ends at the end of May, so we encourage people to go outside and enjoy fresh air while helping the environment.
